JIROAM, Inc. / Plato's Repeat Phase II (Slammer) is a private club for adventurous voyeurs and fun-seeking men. Slammer is a club for members only and is not open to the general public or to those who have law violations prohibiting them from entering. If you are offended by explicit sexual language, nudity, homosexual imagery and sexual activity between consenting adults then you should neither become a member nor enter the premises. To become a member you must read and complete this application and abide by all rules and procedures. By signing below, you hereby acknowledge that you have read and understand the contents of this application, have had ample opportunity to ask questions, familiarize yourself with club rules and procedures, understand the activities as explained and do not find such activities offensive in any way. You further agree to give the management the right to ask you to leave, and if deemed necessary, bar your future entry and/or terminate your membership.

**21 OR OVER** – No one under 21 years of age may enter or become a member. You **MUST** provide an original, valid government-issued I.D. with photo and date of birth every time you enter the building. You must show a current, valid I.D. even if you are a current member or guest. ID may not be expired and must be the original. No scan, copy or other facsimile is acceptable.

**NO DRUGS OR ILLEGAL ACTIVITIES** – Slammer prohibits the sale, consumption and/or possession of any illegal or controlled substances on the premises at any time. We have a zero tolerance policy and offenders are required to leave the premises immediately. Slammer prohibits prostitution in any forms, whether real or perceived, on the premises. All members have a responsibility to inform management of any person soliciting the use of drugs or sex for money on the premises.

**RULES OF CONDUCT** – Members must enter and exit the club wearing proper attire. Feminine attire, wigs and/or makeup are not permitted. Cologne and strong body fragrances are prohibited and you will be asked to wash them off as a condition of entry. Nudity is acceptable at Slammer in select areas. You may rent a locker to store your personal belongings if you would like to change clothing or be nude. Politely say "No" if you don't want the attention of another member. Also, respect the right of another member to say "No" to you. Disruptive behavior is not permitted, including fighting, violent activity, loud noises and verbal abuse. Be prepared before you enter the club, making sure you bring all needed items upon initial entry. When you leave Slammer, exercise due regard in the parking lots and surrounding neighborhood. Do not loiter, consume alcohol, engage in sexual activities, dump trash or become loud in these areas.

**PRIVACY** – Cellphones, smartphones, cameras, audio recorders, video equipment or other electronic devices are not allowed in the club. You must leave those items in your vehicle or check them at the window prior to entry. If you're found to have one of these items inside, you will be asked to leave.

**SAFETY** – Slammer provides condoms at the window and in locations within the premises. Use of condoms is highly recommended; it is left to the discretion and choice of consenting adults. Glass bottles are not allowed in the play area. Contents of those containers will be served in plastic cups. Slammer does not tolerate activities that may result in the injury of any member or staff member or that may cause damage to Slammer property. Members may not carry firearms or weapons of any type onto these premises. Members may rent a box at the window to check in wallets, keys, mobile phones, personal electronic equipment and other small valuables. Members may also rent a locker to store clothing, bags and larger items. Slammer is not responsible for the loss of or damage to unchecked items. Members agree to hold harmless Slammer and its staff for any loss or injury that may occur on these premises.

**ALCOHOL** – Slammer is a Bottle Club and does not sell alcohol. You may bring alcoholic beverages into the club in their original, unopened containers. You must show the window attendant your container so it can be properly labeled. You cannot remove alcohol containers after you bring them into the club. You may share your alcohol with other members as long as you are present. Excess wine and beer are discarded when the club closes for the evening. You may not bring in water bottles or other non-alcoholic beverages. For safety of all members and staff, Slammer may limit or deny serving alcoholic beverages to its members. Slammer will call a taxi for any member who requests or requires one.

- **Membership Cardholders** - Liquor (i.e. rum, vodka, whiskey) will be labeled with your name, membership card number and expiration date and will be kept behind the bar for the duration of your membership. Any bottle that remains after your membership expiration date will be held for a period of two weeks. If your membership is not renewed by that time, the bottle and its contents will be discarded. It is your responsibility to get a new label for any alcohol already behind the bar at the time of membership renewal.
- **One-time Members** – All alcoholic beverages brought into the club by one-time members are discarded upon closing.

**ONE-TIME MEMBERSHIP** – One-time memberships expire when the club closes that evening or when you leave the building, whichever comes first.

**THREE-MONTH MEMBERSHIP** – You may purchase a three-month membership, which includes your first visit. During future visits members are required to present their valid membership card with a valid I.D. and pay an entrance fee. The expiration date of the membership is stamped on the back of the card. Slammer is not responsible for lost cards. If you do not have your card, you must purchase a new three-month membership or pay for a one-time membership.

**IN/OUT POLICY** – If you need to leave the club for any reason after entry, you may purchase a re-entry card. The card can be purchased at the front window and allows the member to re-enter the club at no additional charge for a period of two hours after the card is issued. If you return outside that two-hour period or fail to purchase the card prior to leaving the building, you will be required to pay the full entrance fee.
